∅ 17,1 mm · 0,674 in

EU 56 · US 7^{3/4} · UK P · JP 16
∅ 17,9 mm · 0,706 in

EU 58 · US 8^{1/2} · UK Q^{1/2} · JP 17
∅ 18,5 mm · 0,73 in

EU 60 · US 9^{1/4} · UK S · JP 19
∅ 19,2 mm · 0,754 in

- 1 · Make sure you print this page at 100%.
- 2 · Check that your printer is set at the correct scale using the ruler.
- 3 · Place one of your own rings in the black areas to measure its size.
- 4 · Choose the right size (the black area must fill the internal circumference of your ring).
